To Whom It May Concern,

Please accept this letter of recommendation in strong support of Rick Lapi for the Instructional Technology Position at your district. As Instructional Technology Coordinator for Wilson School District, I have worked closely with Rick Lapi over the course of the last few years. As the Computer Applications Teacher for Central Junior High School, Rick and I worked closely together to develop and teach Internet Safety to his 7th Graders. Rick also was instrumental in developing coursework to implement the Classroom Performance System with his students and share his lessons with his colleagues.

Rick is also the varsity volleyball girls and boys coach. His players respect him and strive for excellence in his program. He has the interpersonal skills that every leader needs. This quality alone makes him an excellent candidate for a leadership position.

In closing, I consider Rick Lapi to be one of the most respected and dedicated teachers at Wilson. He continually seeks to increase his knowledge base to benefit his students and colleagues. Based on these qualities, I feel he would be a great candidate for your district. If you have any further questions regarding Rick's ability or this recommendation, please do not hesitate to contact me.

Sincerely,  
Deborah F. Chestnut
